

SIGCSE 2012 Board-Sponsored Pre-Symposium Events

Career Mentoring Workshop

Susan Rodger, *Duke University*; Sheila Casteneda, *Clarke College*; Dave Reed, *Creighton University*

The goal of the Career Mentoring Workshop is to provide critical mentoring information for instructors, pre-tenure faculty and graduate students in Computer Science and Engineering who are interested in an academic career. The day-long workshop, to be held on Wednesday, February 29, will be co-located with the SIGCSE 2012 conference in Raleigh. Tentative topics will include: Mentoring, Teaching Strategies, Getting Started with Research / Finding Funding / Research with Undergraduates, Promotion and Tenure, Time Management, and Balancing Priorities (i.e., teaching vs. research vs. service). February 29, 8:00am to 5:00pm
